

Informational meetings are scheduled throughout the state to explain the Access to Health Insurance program and to answer questions.

The meetings will:

- Explain how this new program will work;
- Discuss the role insurance representative will play in this process;
- Review what an employer must do to participate; and
- Provide details on how an individual may qualify for premium assistance.

Who should attend:

- Insurance representatives who offer small group health insurance policies, and
- Owners of small businesses who currently do not offer health insurance.

To register for a meeting:

- Call: 1-866-234-9488 toll free or
- Email: kinghort@idhw.state.id.us with the number of people, and the date and location you would like to attend.

See the chart below for locations and times.
